## Verse 1

From the Nile to the Sahara  
Across the forests of Congo  
Remember how you helped walk home free  
From the Pyramids to the Table Mountain  
Our children rose from dust  
The past is past and what was lost is in house

Winds of change on Africa-away  
The spirit- of peace came like rain  
From equal rights, and justice now comes grace  
We love you, We love you

## Chorus

Mzee Mandela  
Son Of Africa  
This Is a Song For You  
Umkhonto We Sizwe  
Nelson Mandela  
Utata Madiba  
Siyabonga Kakhulu Obaba  
Interlude Yimba nawe x

## Verse 2

From the Everest to Rwenzori  
And the Taj Mahal they know your name  
Because you fought for bread and salt for all  
From Niagara ni-ah-gruh to Himalaya  
Across the Great Wall of China  
Freedom spread from Sydney to the Victoria Falls

There were days when we couldn't speak  
In our homes dreams were destroyed  
Now we raise our flags and nations (sing-x)  
This song, of victory on our side

## Repeat Chorus

Interlude Yimba nawe x

## Interlude

You walked- that long road to freedom  
Saw the Sun beyond the dusk  
It wasn't easy but you prayed  
We remember, We remember

Mzee Mandela (Mzee Mandela)x4

Repeat main chorus

Interlude Yimba nawe x
