Mpenzi yake x3
Niya ukweli
(Chorus)
Kujja kwa upendo Baki kwa upendo
Upendo wamwenyezi mungu x2

If life ever fails and you're hurting
Friends can't can't stand you they can't help you
Nobody wants take you but you are trying
Remember you are the best of the best
Come to the father you will discover
He's the master and creator
His love is everlasting and forgiving
No matter what you did
Ana hitaji ujuwe kwamba anakupenda
Angependa kujuwa kama onamupenda
(Verse 1)

I don't what you are going through what disturbs you
I don't know what is in what what torments
But I know that God knows and he loves you
No matter what you did he will never let you go
Come to the father you will discover
He's the master and creator
His love is everlasting and forgiving
No matter what you did
He wants you to know that he loves you
He wants to know, if you love him
Mpenzi yake x3
Niya ukweli
Kujja kwa upendo Baki kwa upendo
Upendo wamwenyezi mungu x2
(Rap)

Many many sins of us he's forgiven
Unto us new mercies he's given
But why are choosing to be self driven
Remember you were born in sin and shame
Dawn to dusk you would take the blame
But gone are the days of you losing the game
Won is the battle you will never be the same
If salvation was for selling and money would be buying

The rich would be living and the poor would be dying
This song that I'm singing to convince you is what I'm
trying
But you ain't believing coz you think that I'm lying
Did you did you you know that in his eyes you are
precious
Lalalalala his love is real not pretentious
No no no no no he never condemns he is gracious
