Ooohh Seems I got to have a chance of scene
'Cause every night I have a strangest dreams
Imprisoned by the way it could have been
Left you on my own or so it seemed

I got to leave before
I start to scream
But someone locked the door
and took the keys

Oh, you feelin' alright baby, baby (I'm alright)
Well, well I'm not feelin too good to myself (I'm alright)
Do you do you feelin' alright baby (that's alright)
Well, I'm not feelin too good to myself, honey (I'm
alright)

Well, boy, you sure took me one.one big ride (yes she
did)
And ever now I sit and I wonder why
Then when I think of you, I start to cry, baby
I'm just can't waste my time, I must get by
Gotta stop believen in all you lies, baby
'Cause there's too much to do before I die

Oh, you feelin' alright baby (I'm alright)
Well, I'm not feelin too good to myself, honey (I'm
alright)
Oh, you feelin' alright baby (I'm alright)
Well, I'm not feelin too good to myself (I'm alright)

Ooh, don't get know's in all I say
In a better time, I really really felt that way
But that was then, honey, know it's today
I can't get safe, so I guess to stay
'Til someone comes along and takes my place
With a different name, oh yes, and a different face

Oh, you feelin' alright baby (I'm alright)
I'm not feelin too good to myself, honey (I'm alright)
Well, do you feelin, do you feelin' alright baby (I'm
alright)

Honey, honey, I'm not feelin too good to myself (I'm
alright)
