woah oh ohoh

hey, i know im not the kind
for fancy words and such
for all i can say is
that i love you very very much

my heart tells me i can
put my faith in you baby
because you sweet tender love
is the only real thing i ever knew

and baby

my love is growing stronger and stronger baby
oooooooooh
my love is growing stronger stronger and stronger
baby baby baby
stronger
baby baby baby
stronger

each time i hold you close
it seems to make me strong
i know that love
like yours holds for very long

everything you do girl
makes my life more complete
standing confidence
is what you give to me baby

and i'll understate

my love is growing stronger stronger stronger and
stronger
baby
wooo
its growing stronger and stronger and stronger

ahhh stronger stronger

ooh ooh ooh ooh
ohh oohh ohhh ohh ohh

lets forget about the weakness
and mistakes from yesterday baby
i feel good about tomorrow
if i can only can hear you say

my love is growing stronger and stronger baby
ohh ohh
my love my love is going stronger each day and every
day
stronger stronger
oh it grows stronger each and everyday baby
ohh

i know im not the kind for fancy words and such.
