song: My Whole World Ended

artist: David Ruffin

Last week my life had meaning  
It was beautiful and so sweet.  
But now it's nothing, nothing without you, baby  
My whole world is incomplete  
'Cause I can't see you no more.  
That was all that you said, baby.  
But you just might as well have  
Placed a gun to my head.

Baby, baby, why did you do it?  
My whole world ended the moment you left me  
Oh baby  
My whole world ended the moment you left me  
It tumbled to the ground baby.

Did you ever mean those sweet things  
That you used to say?  
Have a house and a lovely, a lovely daughter,  
And a little baby some day.  
Where did I go wrong, honey?  
Whatever changed your mind, baby?  
I've asked myself these questions  
Over a million times.

Baby, baby, why did you leave me?  
My whole world ended the moment you left me  
Oh baby  
My whole world ended the moment you left me  
It tumbled to the ground baby.

Now my body is numb  
It feels so senseless to the touch.  
My life is wasted, wasted without you  
I guess I loved you much too much.  
How can I face tomorrow  
When yesterday is all I see?  
I just don't want to face tomorrow honey  
If you're not sharing it with me.

Baby, baby, oh baby  
My whole world ended... (fade)
