lemme tell you all about it
sometimes,
i think about it
and my poor heart wants to die about it ohh
about this sweet sweet love i lost
and the way i got double crossed
by a guy who was my friend
i see him now and then, but
i pretend im doing fine
but im about to lose my mind
ohhhh
you know i told my father all about it
and he just jumped up and walked all around and
laughed all around all about it
he said the love i think i lost
and the way i got double double crossed
by a guy who was my friend, if i ever see him again
tell him he cant really win
cause she'll be back to see me again!
ohhhh love, ohhhhh
noo now my father,made no vest
but i forgot, i forgot to tell him all the rest
i received an invitation about a month ago, to a
wedding i decided not to go
cause i couldnt stand the pain, i would have been so
ashamed
to see the girl i love, walk away to take another name
thats why i sit down, sit down and ask my brother all
about it
yes i did
ohh i sit down and i talk to my father all about it
about the love i think i lost, and the way i got double
double double double crossed
by a guy who was my friend
if i ever see him again
know that she'll be back again
ohhhhhhh
not the double cross
ohh baby
about the double cross
ohhhh, baby not the double cross

i dont wanna lose a good thing
thats right sit down, 24 hours
ohh
