feat. Big Gipp

I'm a drifter
Searching the world
Club to club
Tippin' strippers

I'm a drifter
Club to club
Tippin' strippers
I'm a drifter
Searching the world

(Shawty Redd verse)
She loves the big big faces
Big faces get her naked
Show me a piece of your love
And girl I'll break you off
Anything you want anything you need
I'll give it to you
Cause I like the way you move when your on that stage
girl
Do what you do

I'm a drifter
Searching the world
Club to club
Searching the world

She's exotic
Erotic
Anything in my pockets I'll give it to her with no
questions
While she's dancing my moneys romancing
Tryin my best to keep my dick in my pants
Cause she's sexy
If she lets me
I'm a break her off
Cause she lookin real juicy and she dance for the
money but her body says do me

I'm a drifter

Searching the world
Club to club
Searching the world

(Big Gipp Verse)

Let me see it girl
The hand stay bent
Ready green Gucci got ya looking like that
Ass so fat make a nigga wanna scream
Top stay open cause I'm always blowing trees
Always outta town tryin get some more trees
House side west and a house side east
Redd in a Benz and Gipp in an 84
Talk back to the crowd just to let em know
Ain't no lookin out here you can let it go
Body towel with the girl drop it to the floor
South side east side yah we gettin paper
Comin up throwin money at the booty shakers
Them fives them tens yah they fall
Cut the strings on the outfit and let it fall
Get bent just for 1 night
Pop a pill with your folks then get tight

(x2)

I'm a drifter
Searching the world
Club to club
Searching the world
