### "All My Life"

Visit "[All My Life](#)" on [MotoLyrics.com](http://MotoLyrics.com)

I will never find another lover sweeter than you,  
sweeter than you  
And I will never find another lover more precious than  
you, more  
Precious than you  
Girl you are close to me you're like my mother,  
Close to me you're like my father,  
Close to me you're like my sister,  
Close to me you're like my brother  
You are the only one your my everything and for you  
this song I sing  
And all my life I've prayed for someone like you  
And I thank God that I, that I finally found you  
All my life I've prayed for someone like you  
And I hope that you feel the same way too  
Yes, I pray that you do love me too  
I said you're all that I'm thinking of... baby  
Said, I promise to never fall in love with a stranger,  
You're all I'm thinking of, I praise the Lord above,  
For sending me your love, I cherish every hug,  
I really love you  
And all my life, baby, baby, I've prayed for someone  
like you,  
And I thank God that I, that I finally found you, baby  
All my life I've prayed for someone like you  
And I hope that you feel the same way too  
Yes, I pray that you do, love me  
You're all that I ever known, when you smile, on my  
face, all I see is  
A glow.  
You turned my life around, you picked me up when I  
was down,  
You're all that I ever known, when you smile on your  
face all I see is  
A glow,  
You picked me up when I was down  
You're all that I ever known, when you smile on your  
face all I see is  
A glow,  
You picked me up when I was down and I hope that you  
feel the same way

Too,  
Yes I pray that you do love me too  
All my life, I've prayed for someone like you,  
And I thank God that I, that I finally found you  
All my life I've prayed for someone like you  
Yes, I pray that you do love me too  
All my life I've prayed for someone like you  
And I thank God that I, that I finally found you  
All my life I've prayed for someone like you  
Yes, I pray that you do love me too  
[Repeat till fade]
