If That's OK With You
I love the way that you look without your make up
I had a girl before we met but we broke up
There's something 'bout you that makes me want to
step up
Step up and be with you
If That's Ok With You

We'll keep the neighbors awake too late too late
Cos imma make you feel so good that's how I see it
happening
Yeah we'll keep the neighbors awake too late too late
Cos baby I wanna step up and be with you
If that's ok with you

CHORUS:

I'm gonna make you feel like you are heaven on earth
I'm gonna saint your mother just for giving you birth
I'm gonna wanna hold you in my arms when you cry
If that's ok with you
If that's ok with you

I wanna keep your toothbrush at my apartment
Make a second set of keys and ask you to move in
I'm not crazy
I know what I'm getting myself in
I wanna live with you
If that's ok with you

CHORUS:

I'm gonna make you feel like you are heaven on earth
I'm gonna saint your mother just for giving you birth
I'm gonna wanna hold you in my arms when you cry
If that's ok with you
If that's ok with you

If that's ok with you

CHORUS:

I'm gonna make you feel like you are heaven on earth
I'm gonna saint your mother just for giving you birth

I'm gonna wanna hold you in my arms when you cry
If that's ok with you
If that's ok with you
If that's ok with you
If that's ok with you
Yeah yeah

We'll keep the neighbors awake too late too late
I wanna love you this way that way this way
We'll keep the neighbors awake too late too late
I wanna love you this way that way this way

CHORUS:

I'm gonna make you feel like you are heaven on earth
I'm gonna saint your mother just for giving you birth
I'm gonna wanna hold you in my arms when you cry
If that's ok with you
If that's ok with you
I'm gonna love you

I'm gonna make you feel like you are heaven on earth
I'm gonna saint your mother just for giving you birth
I'm gonna wanna hold you in my arms when you cry
If that's ok with you
If that's ok with you
If that's ok with you
If that's ok with you
If that's ok with you
If that's ok with you
If that's ok with you
