I left you by the staircase,
Not to long ago, you were a fine young lady,
Dressed in white,
Sat in robs,
Now the deed is done,
And I'm on my way home,
Worried that the worst is yet to come,
All because I'm letting you go,
Letting you go,
I've been thinking that I could find a way past my
mistakes,
And for being the one that's always making you wait,
And leaving you here outside,
I can't deny,
I can't deny.

Now I'm left on the shores of reality.
Was I wrong,
Was I wrong for letting you fall to your knees.
Stuck in an unending tragedy.
Was I wrong,
Was I wrong, for knowing you were falling for me.
It's time to move on to a better place,
With someone else,
Cause where you are right now,
And where you want to be,
It's not with me.

My train has almost arrived,
But there's no one here with me,
Wondering why,
I've spent all this time,
Waiting for you,
Waiting for you,
Waiting for you,
But at least now I know that,
You aint comin back for me, no.
My heart's torn into pieces,
I just want you to see,
I want you to see,
Oh the truth behind what we've been through,
There's not much left to explain,

I'm not the man who can pay his way,
Through chances he takes,
Like leading you heart astray,
I'm not the life you've always wanted,
Not the ones with happiness,
Almost every single day,
Maybe now you'll see,
Oh, were not meant to be, no.

Now I'm left on the shores of reality,
Was I wrong,
Was I wrong for letting you for fall to your knees.
Stuck in an unending tragedy.
Was I wrong,
Was I wrong, for knowing you were falling for me.
It's time to move on to a better place,
With someone else,
Cause where you are right now,
And where you want to be,
It's not with me...
