Nothing's impossible
Nothing's unreachable
When I am weary
You make me stronger

This love is beautiful
So unforgettable
I feel no winter cold
When we're together
When we're together

Will you stand by me
Hold on and never let me go
Will you stand by me
With you I know I'll belong
When the story gets told

When day turns into night
I look into your eyes
I see my future now
All the world and it's wonder

This love won't fade away
And through the hardest days
I'll never question us
You are the reason
My only reason

Will you stand by me
Hold on and never let me go
Will you stand by me
With you I know I'll belong
When the story gets told

I am blessed
To find what I need
In a world losing hope
You're my only belief
You make things right
Every time after time

Will you stand by me
Hold on and never let me go
Will you stand, stand by me
Will I be a part of your life
When the story gets told

Stand by me
Stand by me
Won't you stand
Stand by me
Stand be me

Come on darlin'
Say "I want you by my side"
Say "I need you here with me"
Stand by me
Stand by me
