VERSE 1:

Well I've been caught
In all of this mess
Thinkin' about the lengths I'd go to impress
She's the love of my life
The love of my life
And I've been so scared
That I won't be that aware
Be that prepared
For the day she tells me she's leavin'

PRE-CHORUS:

But I know you've told me
So many times that
There's no one but me
And when I think about you
A part of me believes in more than just a

CHORUS:

A summer love
It's the way that we touch
Yeah it don't take much for me to
Fall in love
To fall in love with you girl
Cuz baby you mean the world
And you're more than my summer love

(Instrumental)

VERSE 2:

Well I've been caught
In all this a thinkin' of you
It's so hard not to stay true
True to my word
When you've got a smile like that
Now I want you back
Back here in my arms tonight
There's no way you could put up a fight
Not when I've fallen this much more in love

(Pre-chorus)

(Chorus)

BRIDGE:

Can I have another try
Don't let it be our last goodbye
Cuz baby I'll always be thinkin' of you
Distance don't have a price
Not when we're this much closer inside
Another try to show you how much I love you

We're more than
A summer love
It's the way that we touch
No it don't take much for me to
Fall in love, fall in love

(Oh it's a)

FINAL CHORUS:

Summer love (it's the way that we touch, no it don't take
much for me to)
Fall in love (to fall in love with you)
La la la la la
La la la la la
La la la la la
Laaa~
My summer love
