Not sure if you know this
But when we first met
I got so nervous
I couldn't speak
In that very moment I found the one and
My life had found it's missing piece
So as long as I live I love you
will heaven hold you
You look so beautiful in white
And from now to my very last breath
This day I'll cherish
You look so beautiful in white
Tonight
What we have is timeless
My love is endless
And with this scream I say to the world
You're my every reason
You're all that I believe in
with all my heart I mean every word
So as long as I live I love you
will heaven hold you
You look so beautiful in white
And from now to my very last breath
This day I'll cherish
You look so beautiful in white

Tonight
Ooooooh oh
Na na na na na
SO beautiful in white
Tonight
And if our daughter's what our future holds
I hope she has you're eyes
finds love like you and I did
Yeah, I wish she falls in love
and I will let her go
I'll walk her down the aisle
She'll look so beautiful in white.....
You look so beautiful
In white
So as long as I live I love you
will heaven hold you

You look so beautiful in white
And from now to my very last breath
This day I'll cherish
You look so beautiful in white
Tonight
"You look so beautiful in white tonight"
