Oh, I'm missing you
Like I knew that I would
Ain't no substitute
For something that good
Gonna buy a ticket out of here
The first chance that I get

Gonna hit the ground running
Baby I'm coming home to you
My minds made up
It's time I'm on my way

Gonna hit the ground running
Baby I know I'm overdue
And I won't stop till I'm home to stay

I'm tired of hotel rooms
Each town looks the same
But when I think of you
My heart sings again
Gonna buy a ticket out of here
The first chance that I get

Gonna hit the ground running
Baby I'm coming home to you
My minds made up
It's time I'm on my way

Gonna hit the ground running
Baby I know I'm overdue
And I won't stop till I'm home to stay

I'm leaving here tonight
And you're my destination
I beat up on first light
I just got to get to you

Gonna hit the ground running
Baby I'm coming home to you
My minds made up
It's time I'm on my way

Gonna hit the ground running
Baby I know I'm overdue
And I won't stop till I'm home to stay

I'll be running, running, running, running to you...
