Verse:

I love the way that you look without your make up
I had a girl before we met but we broke up
There's something bout you that make me wanna step
up
Step up and be with you
If that's ok with you

We'll keep the neighbors awake
Too late too late
Cuz I'm gonna make you feel so good
That's how I see it happening
Yea we'll keep the neighbors awake
Too late too late
Cuz baby I wanna step up and be with you
If that's ok with you

CHORUS:

I'm gonna make you feel like you are heaven on earth
I'm gonna saint your mother just for giving you birth
I'm gonna wanna hold you in my arms when you cry
If that's ok with you, if that's ok with you

VERSE:

I wanna keep your tooth-brush at my apartment
Make a second set of keys and ask you to move in
I'm not crazy, I know what I'm getting myself in
I wanna live with you
If that's ok with you

CHORUS:

I'm gonna make you feel like you are heaven on earth
I'm gonna saint your mother just for giving you birth
I'm gonna wanna hold you in my arms when you cry
If that's ok with you, if that's ok with you

Bridge:

We'll keep the neighbors awake too late too late
I wanna love you this way that way this way
We'll keep the neighbors awake too late too late
I wanna love you this way that way this way

CHORUS:

I'm gonna make you feel like you are heaven on earth
I'm gonna saint your mother just for giving you birth
I'm gonna wanna hold you in my arms when you cry
If that's ok with you, if that's ok with you
