Oh, yeah

You got my attention  
At hello  
We had this connection  
That wouldn't let go  
There was something sexy  
About your voice  
Anything you say  
Makes a beautiful noise

Oh-oh

And now we break up  
To make up right away (we make up right away)  
Just an excuse  
To lay in bed all day (ooo we'll lay in bed all day)  
I know that this thing we have  
Won't ever change  
That's why I have  
The confidence to say

*[Chorus]*

A lot of girls are sexy  
But you know how to use it  
You can keep me  
Up on the phone all night  
We'll sail at sail a boat free  
But we don't ever do it  
Ain't it crazy  
How after all this time  
We got that you hang  
No, you hang up kinda love  
We got that you hang  
No, you hang up kinda love

Every time you call me  
I won't lie  
I still get the goosebumps  
I felt the first time  
That I saw you walk

In to a room  
Girl, you had me hooked  
On that beautiful view

And now we break up  
And now we break up  
To make up right away (oh, we make up right away)  
Just an excuse  
To lay in bed all day (and we lay in bed all day)  
I know that this thing we have  
Won't ever change  
That's why I have  
The confidence to say

*[Chorus]*

We got that you hang  
No, you hang up kinda love (kinda love)

Baby you still know  
Just how to blow my mind  
And after everything that we've been through  
It still feels right  
(Girl and I) I know  
(That) I can't  
Picture living my life  
Without you

Yeah, yeah, yeah

*[Chorus]*

A lot of girls are sexy  
But you know how to use it  
You can keep me  
Up on the phone all night (all night)  
We'll sail at sail a boat free  
But we don't ever do it  
Ain't it crazy  
How after all this time  
We got that you hang  
No, you hang up kinda love  
We got that you hang  
No, you hang up kinda love

A lot of girls are sexy (a lot of girls are so sexy)  
You can keep me  
Up on the phone all night (oh, you better watch)  
We'll sail at sail a boat free (you hang up, no, you  
hang up kinda love)  
But we don't ever do it (you hang up you hang up

kinda love)  
Ain't it crazy  
How after all this time

We got that you hang. No, you hang up kinda love [x4]
