Oceans apart day after day  
And I slowly go insane  
I hear your voice on the line  
But it doesn't stop the pain  
Oh, can't you see it baby  
You've got me going crazy

Wherever you go  
Whatever you do  
I will be right here waiting for you  
I wonder how we can survive  
How see good chance  
Wherever you go  
Whatever you do  
I will be by here waiting for you

Whatever it takes  
Or how my heart breaks  
I will be by here waiting for you
