I never wanna lose you
these are the words you said
i will never hurt you
but look what you`ve done instead
you promised me forever
but still i wake up alone
i see you when my eyes are closed
but when i open them, you are gone
i still believe [i still believe], yeah
what you said to me
that you wouldn`t leave
now who is gonna save me if you can`t

If you can`t hear me now
[who`s gonna save me]
if you can`t see me now
[who`s gonna show me]
i wanna feel you but i can`t get through
i`m crazy enough to still depend on you
so who`s gonna save me now

I don`t wanna walk alone
and i don`t turn off the lights at night
everything i do is wrong
baby i need you to make things right
i still believe [i still believe], yeah
what you said to me
that you wouldn`t ever leave
now who is gonna save me if you can`t

If you can`t hear me now
[who`s gonna save me]
if you can`t see me now
[who`s gonna show me]
i wanna feel you but i can`t get through
i`m crazy enough to still depend on you
so who`s gonna save me now
but you
