Something Worth Living For -- Shayne Ward

I don't wanna leave you here all by yourself,
I just wanna let you know I'm there for you like no one
else.
I don't wanna drift off to another place,
I just wanna lay here in your arms with your hand on my
face.

So let's not ever tell the moon about the sun,
I'll keep hearing love songs, hoping every wrong's
undone.
It's foolish but we've only just begun,
I don't wanna stop this, all My walls are caving in....

~

CHORUS:

I... Wanna give you Something Worth Living For... Oh,
yeah.
I... Wanna tell you this and so much more,
My Everything....
My Universe....

~

I'm so mesmerised by your serenity,
Hopefully, you'll take me there inside your dreams.
Just like Autumn Leaves I'm falling over you,
It's so unbelievable, but yet so true.
Our imperfections are so beautiful right now,
I don't even see them, only diamonds now remain.
It's crazy how, without making a sound,
You can make me feel things, all My walls are caving
in....

~

SECOND CHORUS:

I... Wanna give you Something Worth Living For... Oh,
yeah.
I... Wanna tell you this and so much more,
My Everything.... My Universe.... You're Something
Worth Living For.... Something Worth Living For....

~

BRIDGE:

So let's not ever tell the moon about the sun,
I'll keep hearing love songs, hoping every wrong's
undone.
It's foolish but we've only just begun,
I don't wanna stop this, all My walls are caving in....

~

END CHORUS:

Give You Something Worth Living For.... Oh, yeah.
I.... Wanna tell you this and so much more...
My Everything.... You are My Universe.... Something
Worth Living For.... Something Worth Living For....
You're Something Worth Living For....
