Dancin' in the dark, middle of the night
Takin' your heart and holdin' it tight
Emotional touch, touchin' my skin
And asking you to do what you've been doin' all over
again

Oh its a beautiful thing, don't think I can keep it all in
I just gotta let you know what it is that won't let me go

It's your love it just does something to me
It sends a shock right through me
I can't get enough
So if you wonder about the spell I'm under,
It's your love

Better than I was, more than I am
And all of this happen by taking your hand
And who I am now is who I wanted to be
And now that we're together, I'm stronger than ever I'm
happy and free

Oh it's a beautiful thing, don't think I can keep it all in
If you asked me why I've changed, all I gotta do is say
your sweet name

It's your love it just does something to me
Sends a shock right through me
Can't get enough
So if you wonder about the spell I'm under,
It's your love

Oh its a beautiful thing, don't think I can keep it all in
I just gotta let you know what it is that won't let me go

It's your love it just does something to me
Ot sends a shock right through me
Can't get enough
So if you wonder about the spell I'm under,
Oh it's your love

It's your love, it's your love, it's your love
