I've got it bad. You don't know how bad I've got it
You've got it easy. You don't know when you've got it
good
It's getting harder just keeping life and soul together
I'm sick of fighting even though I know I should
The cold is biting through each and every nerve and
fiber
My broken spirit is frozen to the core
I don't wanna be here no more

CHORUS:

Wouldn't it be good to be in your shoes
even if it was for just one day
Wouldn't it be good if we could wish ourselves away
Wouldn't it be good to be on your side
The grass is always greener over there
Wouldn't it be good if we could live without a care

You must be joking, you don't know a thing about it
You got no problem. I'd stay right there if I were you
I got it harder. You couldn't dream how hard I've got it
Stay out of my shoes if you know what's good for you
The heat is stifling, burying me up from inside
The sweat is coming through each and every pore
I don't wanna be here no more

CHORUS
