Its just a case of mix and match
Its just a case of mix and match

Stand around and watch it
Fall into pools upon the floor
Mirrored on the neon sea
Searching to find a door

roll the dice and prey...

liberation!!
Domination!!
commination!!

Its just a case of mix and match!!
Its just a case of...

This sturdy stable wont hold me in
Ceilings dipping and bottles tipping
Listening to the shit which spills from the mouth
room is spinning, now, who is winning now
one man down who wears the crown?

Im no whisperer of fate, no messenger of doubt
just roll the dice and prey...

desperation!!
isolation!!
strangulation!!

Its just a case of mix and match

things are meant to confuse you
manufactured as a mess
this product, does it loose you?
guess it is time to confess

this was made to make no sense
just roll the dice and prey...

limitation!!
revelation!!

animation!!

violation!!

generation!!

toleration!!

its just a case of mix and match

its just a case of
