Verse1:

I don't wanna  
be the one,  
but who will, not some  
sacred son,  
String 'em up,  
Cut 'em down,  
Death is their  
eternal crown,

Chorus:

Forever, Forever 'til you wake,  
Forever, Forever in this state.

Verse2:

One forever  
with your soul,  
unless you ever  
lose control.  
Take me with you,  
but don't go,  
what I want,  
I just don't know

(Chorus)

Verse3:

Try to help me,  
leave me die.  
Shatter my soul,  
while angels cry.  
Take the image.  
Take the dream.  
Rip me up  
seam from seam,

(Chorus)

Verse4:

Anything,  
but not this.  
Greed makes me

lick my lips.  
Anticipate  
your morbid hate.  
Use my gentle  
eyes as bait.

(Chorus)
