Hey you tell me what do you see  
When you're looking at me?  
Do you think I know what I want?  
Well to be true I really don't  
Sometimes I feel like a psycho girl  
Who's got lost in this huge, huge world  
Will I ever live a normal life?  
Will I ever be someones wife?  
At night I wake up, something's going on in my head  
And then I know what I want, what I wanna be  
I wanna be a Rock n Roll star  
Be a famous girl with an expensive car  
Yeah a Rock n Roll star  
I wanna run the crowd and make my mom real proud  
Rock n Roll, a Rock n Roll star  
I'm a Rock n Roll star, a Rock n Roll star (x2)  
One day I decided to leave  
Guess I was tired of the old me  
I took off on a runaway train  
That's the place where I left my pain  
Now I'm happy on my way to the top  
You can try but I ain't gonna stop no!  
I really go for the things I like  
And I can tell you that it feels so right!  
At night I still wake up, a lot of things going on in my  
head  
But I know, I did the right thing, cause I am what I am  
Now I'm a Rock n Roll star  
I'm a famous girl with an expensive car  
Yeah a Rock n Roll star  
And now I run the crowd and make my mom real proud  
Rock n Roll, a Rock n Roll star  
I'm a Rock n Roll star, a Rock n Roll star (x2)  
I hope this whole thing happens to you someday (you  
someday)  
And you can be as free, as free as me  
Can't you see?  
That you can be a Rock n Roll star  
Be a famous girl with an expensive car  
Yeah a Rock n Roll star  
And you can run the crowd and make your mom real

proud  
You can be a Rock n Roll star
