I know it, you know it
You know it
Love is a temple of love
Doesn't't wanna stay got to get away
Shes never belonged here
Live a life in vain got to loose her pain
She will always be lost here
I know what she want when she wanna go
Cause I have travelled down that road myself
She got to move on or else her dream will be gone
She will know when she's getting there
Its within her heart
Ouioo, loves supposed to be
Ouioo, like a mystery
Ouioo, don't run away now
Cause love is a temple of love
I know that, everybody just wanna get inside it
I know that everybody do know that
Love is a temple of love
Gonna make the run want to be someone
Shes making her own rules
Shes about to score getting thru that door
Shes never been closer
Cause I know what she want when she wanna go
Cause I have travelled down that road myself
She got to move on or else her dream will be gone
She will know when she's getting there
Its within her heart
Ouioo, loves supposed to be
Ouioo, like a mystery
Ouioo, don't run away now
Cause love is a temple of love
I know that, everybody just wanna get inside it
I know that everybody, do know that
Love is a temple of love
Ouioo, loves supposed to be
Ouioo, like a mystery
Ouioo, don't run away now
Cause love is a temple of love
Ouioo, loves supposed to be
Ouioo, like a mystery

Ouioo, don't run away now
Cause love is a temple of love
I know that, everybody just wanna get inside it
I know that everybody, do know that
Love is a temple of love
