So many questions
Too many lies
Not enough answers
What a surprise
Facing the world like Destiny's Child
Who am I kidding?

I can't believe there's a God in the sky
Selling his dreams to the world
I can't believe that the sun in my eyes
Couldn't care less if I burned

Tell me your reasons
I'll tell you mine
I'm a believer
Pray at my shine
Selling ym soul one piece at a time
Yeah, it's beyond me

I can't believe there's a God in the sky
Selling his dreams to the world
I can't believe that the sun in my eyes
Couldn't care less if I burned

Oh Mr.Zero it's me
And yeah Mr.Zero can you see
If you're the light in my eyes
Why do you need a disguise?

So if you see me
Show me a sign
Too many questions
Not enough time
Holding my hand and leading me blind
Who are you kidding?
