In the days of old  
Stars disappear, nights are growing cold

Oh, heroes of our schemes  
Reaching out to someone, someone of their dreams

When the lighting strikes  
When the children sigh  
When the magic dies  
Calling all heroes  
When the voice decays  
When the death remains  
When the music fades  
Calling all heroes

In these days of old  
Heroes appear, fantasy unfolds  
Stories untold  
Voices of the heart, magic of the soul

Oh, heroes of our schemes  
Reaching out to someone, someone of their dreams

When the lighting strikes  
When the children sigh  
When the magic dies  
Calling all heroes  
When the voice decays  
When the death remains  
When the music fades  
Calling all heroes

It's calling out to me  
Fantasy or reality, love can never be  
Oh, solidarity  
Deny the cheap insanity, you're reaching out to me

When the lighting strikes  
When the children sigh  
When the magic dies  
Calling all heroes

When the voice decays  
When the death remains  
When the music fades  
Calling all heroes
