You said before me met that your life was awful tame
Well, I took you to a night club and the whole band
knew your name. Oh, Well, baby, baby, baby I've Got
News For You Oh, somehow your story don't ring true,
Well, I've got news for you. Well, you phoned me you'd
be late cause you took the wrong express and then you
walked in smiling with your lipstick all a mess Oh, let
me say to you little mama, Wo, I've Got News for you
Ah, your story don't ring true lil girl Yeah, I've got news
for you. (Instumental - subdominant bridge) (A section
solo) Oh, you wore a diamond watch, claimed it was
from Uncle Joe. When I looked at the inscription it said
love from Daddy-O. Oh, well baby, wo lil girl, I wanna
say I've Got News For You. Ah, if you think that jive will
do Let me tell you, oh, I've Got News For You Well,
somehow your story don't ring true Wo, I've Got News
For You.
