Ever so lonely
Ever so lonely without you
Ever so lonely

Sink into your eyes and all I see
Love is an ocean
And you for me

Sink into your eyes
Your eyes
Are all I see
Your love is an ocean

An ocean refuses no river
Ever so lonely
An ocean refuses no river

Waiting for the time when we can be alone together
Alone together
Eternally

The ocean, the ocean
Refuses no river

The ocean, your ocean
Refuses no river

Ever so lonely
Ever so lonely without you

Your ocean
Your ocean
Refuses no river
