Not gonna sing for you even though you may want me
to

Not gonna sing for you even though you may want me
to

I can see through why you want to
Why you want to walk all over me
I dont need to come and ask you
When I feel so strong inside of me

Not gonna dance for you even though you may want
me to

Not gonna dance for you even though you may want
me to

I can see through why you want to
Why you want to walk all over me
I dont need to come and ask you
When I feel so strong inside of me

I may be young
But Im not that dumb
And I know just what I want
Ooh, Im out on my own again
Out on my own.

Maybe I dont know where Im going
May be any way
Maybe I dont know where Im going
May be any way

I may be young
But Im not that dumb
And I know just what I want
Ooh, Im out on my own again
Out on my own.

Not gonna sing for you even though you may want me
to

Not gonna sing for you even though you may want me
to

I can see through why you want to
Why you want to walk all over me
I dont need to come and ask you

When I feel so strong inside of me

I may be young
But Im not that dumb
And I know just what I want
Ooh, Im out on my own again
Out on my own.
Out on my own again
On my own again

Im on my own
Im on my own
Im on my own again
Im on my own
Im on my own
Im on my own again
