Choir

What do you know that I don't
How come you seem so self-assured
What do you know that I don't
What do you know that I don't
Who is the stranger by your side
What do you know that I don't

Chorus

What do you know that I don't
How come you seem so self-assured
What do you know that I don't
What's that special glow
What do you know that I don't
Who is the stranger by your side
What do you know that I don't
For these tears I've cried

Verse 1

So much love the power in the sight of man
Changed our world and set us free
Then our peace He made the final sacrifice
Forgave us for our childish ways
And gave us back our soul

Chorus

What do you know that I don't
How come you seem so self-assured
What do you know that I don't
What's that special glow
What do you know that I don't
Who is the stranger by your side
What do you know that I don't
For these tears I've cried

Verse 2

So much love a river deep and wide
Filled my heart to overflow
In His eyes I see the way to paradise
The gentle hand of One who cares
Returned me to the fold
So what do you know

(Instruments)

Chorus

What do you know that I don't
How come you seem so self-assured
What do you know that I don't
What's that special glow
What do you know that I don't
Who is the stranger by your side
What do you know that I don't
For these tears I've cried

Ending

Do you know, What do you know
