I never thought I,
Could need you here so bad.
You've got me thinking of you,
And I'm speaking the truth,
With that look on your face,
I can't get you out of my mind...

CHORUS:

The look on your face,
Is the look I love to see,
Can't get your brown eyes,
Or your smile, out of my mind.
But I have to say, I miss you.
Oh, oh, oh. Oh, oh, oh.

Everytime you turn away,
I think of you and everythings okay,
And I can't stand to be away from you for so long,
I'm happy your with me,
I know you are to. Oh...

(CHORUS)

I can't stand to be away from you for so long,
I'm happy as I can be with you.
I can't stand to be away from you for so long,
I'm happy as I can be with you.

(CHORUS)
