I've never been the type to trip on my woman
'Cause I'm so used to women always flippin on me
But she's different kind of woman
Aint' still the slow aint' the simple as a promise
You'll be for I lay down the slippin
I make sure everything's alright...
And if she's nothing when I fall asleep
I'm hoping that she won't creep like me
'Cause she's

Chorus:

All every want in my girl to be
See I got something that's control in me
... as you doing wrong should just I leave it alone
Every time I... feelin like I'm... energy
Bitch I have to take a battle look at me
I realize my insecurity

But wish you're sayin keep us I'm go now
But I don't wanna be too blind and I can't deny it
And so if she's creepy I'm gonna
But for now I'm gonna show what love should be
... I lay

You'll be for I lay down the slippin
I make sure everything's alright...
And if she's nothing when I fall asleep
I'm hoping that she won't creep like me
'Cause she's

[Chorus:]

I don't wanna lose this girl
I know she's one of a kind
But I just can't control mind
But she's air

[2x Chorus:]

Maybe maybe my insecurity
Maybe maybe my insecurity
