I know we both decided  
It was good for you to go.  
A little time apart would tell us  
What we need to know.  
Well, I don't know about you,  
But I'm feelin' kind of lonely tonight.

We said we wouldn't talk  
To one another on the phone.  
A little time apart to try  
To make it on our own.  
Well, I don't know about you,  
But I'm feelin' kind of lonely tonight.

\*\*Well, maybe it's better,  
And maybe it's not.  
Maybe we should look  
At everything we've got.  
Maybe those bad times,  
They weren't so bad,  
And maybe those sad times,  
They weren't so sad.

Well I don't think I like  
The way this thing is workin' out,  
I don't think this pain  
Is what our love is all about,  
Well, I don't know about you,  
But I'm feelin' kind of lonely tonight.

(32 count wait)

\*\*Well, maybe it's better,  
And maybe it's not.  
Maybe we should look  
At everything we've got.  
Maybe those bad times,  
They weren't so bad,  
And maybe those sad times,  
They weren't so sad.

Well I don't think I like

The way this thing is workin' out,  
I don't think this pain  
Is what our love is all about,  
Well, I don't know about you,  
But I'm feelin' kind of lonely tonight.

(32 count wait)

\*\*Whoa, maybe it's better,  
And maybe it's not.  
Maybe we should look  
At everything we've got.  
Maybe those bad times,  
They weren't so bad,  
And maybe those sad times,  
They weren't so sad.

Well I don't think I like  
The way this thing is workin' out,  
I don't think this pain  
Is what our love is all about,  
Well, I don't know about you,  
But I'm feelin' kind of lonely tonight.

Well, I don't know about you,  
But I'm feelin' kind of lonely tonight.

Yeah, I don't know about you,  
But I'm feelin' kind of lonely tonight.

Ahh-haaa...
