I can almost touch you now
Flying above the clouds in a big ol' plane
I can't wait to hold you and see you again
Tell you where I've been

I can almost kiss you now
When I close my eyes I feel your lips on mine
It's so hard to fight
What I feel inside, for you

I gotta get back, do I do
I gotta get back, do, do I do
I gotta get back, do I do
Butterflies take control me
Why's this airplane go so slowly
Flutter faster take me home to you

I can almost see you now
Is my imagination foolin' me somehow
Flying through the lining of a silver cloud
I'm gettin' closer now

I can almost hear you now
Oh, saying you love me like you know how
I wish this plane would just reach down and
Touch the ground, I swear I see you now

I gotta get back, do I do
I gotta get back, do, do I do
I gotta get back, do I do
Butterflies take control me
Why's this airplane go so slowly
Flutter faster take me home to you

I gotta get back, do I do
I gotta get back, do, do I do
I gotta get back, do I do
Butterflies take control me
Why's this airplane go so slowly
Flutter faster take me home to you

Oh baby, ooh

Oh yeah
