How can I be sure?
In a world that's constantly changing
How can I be sure?
Where I stand with you

Whenever I
Whenever I am away from you
I wanna die
Cause you know I wanna stay with you

How do I know?
Maybe you're trying to use me
Flying too high can confuse me
Touch me, but don't take me down

Whenever I
Whenever I am away from you
My alibi is telling people
I don't care for you

Maybe I'm just hanging round
With my head up, upside down
It's a pity for you
I can't seem to find somebody new that's as
Wonderful baby as you

How can I be sure?
I really, really, really, wanna know
Really, really, wanna know, yeah

Also whether
Whether or not were together
Together will seem that much better
I love you, I love you forever
You know where I can be found

How can I be sure?
In a world that's constantly changing
How can I be sure
I'll be sure with you?
