I don't know what it is that makes me love you so  
I only know I never want to let you go  
Cause you've started something  
Oh, can't you see?  
That ever since we met  
You've had a hold on me  
It happens to be true  
I only want to be with you

It doesn't matter where you go or what you do  
I want to spend each moment of the day with you  
Oh, look what has happened with just one kiss  
I never knew that I could be in love like this  
It's crazy but it's true  
I only want to be with you

You stopped and smiled at me  
And asked if I'd care to dance  
I fell into your open arms  
And I didn't stand a chance  
Now listen honey  
I just want to be beside you everywhere  
As long as were together, honey, I don't care  
Cause youve started something  
Oh, can't you see?  
That ever since we met  
Youve had a hold on me  
No matter what you do  
I only want to be with you

Oh, oh, you stopped and you smiled at me  
And asked if I'd care to dance  
I fell into your open arms  
And I didn't stand a chance  
Now hear me tell you  
I just want to be beside you everywhere  
As long as were together, honey, I don't care  
Cause youve started something  
Oh, can't you see?  
That ever since we met  
Youve had a hold on me  
No matter what you do

I only want to be with you  
I said no matter, no matter what you do  
I only want to be with you
