I didn't mean to hurt your feelings  
It was so careless of me  
I guess I've gone and done it  
It's just a matter of time  
Nothin' I can do but tell you I'm sorry  
And that's the hardest part of all

'Cause your love's the killin' kind  
Your love's the killin' kind  
Oh, yeah

I'd rather walk on glass  
Than see teardrops in your eyes  
And I'd fall to pieces just to hold you  
The best thing in my life  
It's just luck I get to love you  
You're the one thing that's right  
You're the light in my hell's darkness

'Cause your love's the killin' kind  
Your love's the killin' kind  
Oh, yeah

I, I just might cry now  
Die, lay down and die now  
Why, you've done it to me  
You're puttin' me under

I close my eyes at night sitting under the sky  
I love you and all is pleasures  
Baby, it feels so right  
My arms won't be any use at all  
If I can't hold you

'Cause your love's the killin' kind (killin' kind)  
Your love's the killin' kind (killin' kind)  
Your love's the killin' kind (killin' kind)  
Your love's the killin' kind (killin' kind)  
Oh, yeah

I'd die, baby  
Ooh, I adore you darlin'

Just want to say I'm sorry  
Oh, I'd do anything  
Anything  
Ooh  
To prove it to you baby, oh

Oh, yeah  
Darlin' I'm dying  
Don't leave me baby  
I'm dying for you baby  
You're killin' me baby  
Ooh
