(Charlie Rich)

Well I make it alright from Monday morning till Friday  
night  
But oh those lonely weekends  
Since you left me I'm as lonely as can be  
Oh those lonely weekends

Boy you said you'd be good to me yeah you said our  
love it would never die  
Oh you said you'd be so good to me oh but baby you  
didn't even try  
I'm gonna make it alright from Monday morning till  
Friday night  
But oh those lonely weekends  
[ guitar ]  
Boy you said you'd be good to me...  
Oh but oh those lonely weekends but oh those lonely  
weekends
