A loser
A dreamer
Dream on

Loser
Dreamer
Dream on

It can't be but what you want
Got your head up in the stars
Dream on

Unraveled by your passion
Of your hearts dissatisfaction
Dream on

Dream on

Loser
Dreamer
Dream on

Oh loser
Dreamer
Dream on

If love is what you're after
Then you're lookin' at disaster
Dream on

Romance ain't important
Leaves him disappointed
Dream on

Dream on

No you won't ever understand
The ebbs and flows inside the man
Society is a stranger in his mind

What he don't want
He ain't missin'

Leaves more time for reminiscin'
He don't have nothing but time
To dream on

Ooo ooo ooo oooo

Loser
Dreamer
Dream on

Oh loser
Dreamer
Dream on

He's wild inside his thoughts
That's the company he wants
Dream on

And he's alone and not a lover
He don't need no other
Dream on

Dream on

Dream on

Dream on

Dream on

Dream on
