I've played around
Love was a clown to me
Broke all the rules
That only fools believed

Oh, never too close
I kept my head
And I said, I'd never fall
For that old soft talk

Just look at me know
Giving my love away
Baby I knew
The moment that you touched my face

Oh, who would believe
Who would have ever thought
That deep in my soul
I needed that old soft talk

I never gave in
No violins for me
That wasn't my style
Love should stay wild and free

Oh, never too close
I kept my head
And I said, I'd never fall
For that old soft talk

Just look at me know
Giving my love away
Baby I knew
The moment that you touched my face

Oh, who would believe
And who would have ever thought
That deep in my soul
I needed that old soft talk
Oh, deep in my soul
I needed that old soft talk
