Some of That True Love
By Shelby Lynne

I don't need no Mazaradi,
Pullin' up no circle drive,
Headed for some mansion on a hill.

And I don't need no pearls and diamonds,
I don't need a fancy fur.
What I want ain't bought with a dollar bill.

**Give me some of that true love,
That's what I'm longin' for,
Some of that true love,
Every heart aches for,
Some of that true love.

I'll tell you one thing
That makes life worth livin',
It's two hearts beatin'
In a perfect rhythm.
Give me some of that true love, uh-huh.

I don't need no dry martini,
Served to me on silver trays,
And I don't need those big city lights.
I don't need no silk pajamas,
Satin pillows for my head.
And I don't need my bed turned down at night.

**Give me some of that true love,
That's what I'm longin' for,
Some of that true love,
Every heart aches for,
Some of that true love.

I'll tell you right now how I feel about it,
I never know I never want to live without it
Give me some of that true love,

(intrumental)

**Give me some of that true love,
That's what I'm longin' for,
Some of that true love,
Every heart aches for,
Some of that true love.

I'll tell you one thing
That makes life worth livin',
It's two hearts beatin'
In a perfect rhythm.
Give me some of that true love,
Some true love
Some true love
A little bit of true love.
