We always have someone over us
Someone that just want to teach us
We've always been their prisoners
That are just trying to escape

We always have someone right here
That is bossing us around and here
A Boss that make us feel so poor
Someone that we just can't ignore

As injustice as life can be
People dying
As injustice as life can be
People howling

As injustice as life can be
People fading
As injustice as life can be
People weeping

[Instrumental]

We always have someone right here
Who find the way to make us feel
To make us feel so miserable
Saying we're nothing more than dogs

THE BOSS THAT MAKE US FEEL THAT WAY
ARE NOT FINDING A WAY TO ESCAPE

As injustice as life
As injustice as life
As injustice as life

As injustice as life can be
People dying
As injustice as life can be
People crying

As injustice as life can be
People dying
As injustice as life can be

People crying
