I don't know,  
Where we are?  
Who am I?  
What do you have for me?

I don't know  
What do you,  
Pretend that I am going to be?

But please don't  
Leave me here  
Alone

Be with me Everytime  
Don't leave me alone here  
Be with me all these times  
Wherever that I'm gonna be  
Because  
I need you with me

I don't know  
Who are them?  
Is that my team?  
Where do I belong?

And I don't know,  
If I can trust  
In the people that  
Are close to me?

GOD...  
GOD...

Be with me  
Everytime  
Don't leave me  
Alone here  
If you get away  
I will die, again...  
I will die  
I will die again  
I will die again

Be with me Everytime  
Don't leave me alone here  
Be with me all these times  
Wherever that I'm gonna be  
Because  
I need you with me

Are you hearing me?  
Are you in the other side?  
Are you here  
With me?  
Are you here  
With me?  
Thanks  
Thanks again  
For trust in me...
