Imagine a man so tall -
Back on the ceiling, he stooped over a man to get in his
house.
Imagine so proud -
Build a monument to himself:
A mountain of garbage,
In his house.
Passed a boy asleep in a tent outside...
Why?
Imagine his wife asleep in they bed...
The times they make love in a...
With the doodoo and the feces on the wall.
Imagine a man so tall -
Back on the ceiling, he stooped over a man to get in his
house.
Imagine a man so proud -
Build a monument to himself:
A mountain of garbage,
In his house. *Brandon Matuja
