Sittin' 'round here
In the Memphis heat
Only one thing to do
Get on out this delta sun
And start lovin' up on you

'Cause in the mornin'
Oh, I want you in the evenin'
All the time and in between it
I want you in every way

So kiss me
I just want to be together
And no one's gonna love you better
Every night and every day , yeah yeah

Sittin' here starin'
At the muddy water moon
Underneath the spell of the night
I gonna give you everything I got
So get over here and hold me tight

'Cause in the mornin'
Oh I want you in the evenin'
All the time and in between it
I want you in every way

Oh, yeah, So kiss me
I just want to be together
And no one's gonna love you better
Every night and every day , yeah yeah

Baby, know you got me
By the look in my eyes
Oh, I give myself away

Somethin' bout the way you are
Is workin' on me
And there is nothin' left
That I can say, yeah, yeah

Oh, yeah, kiss me
I just want to be together
And no one's gonna love you better
Every night and every day , yeah

Oh, yeah, In the mornin'
Oh I want you in the evenin'
All the time and in between it
Every night and every day , yeah, yeah
