Blockhead...
You're a dummy...
I could even see his lips move.
It's impressive how they do it...
Picture your head and waive out excuses,
The things you could say with it.
It's made of stone or iron;
What if it was wood so I could burn it?
Drink a glass of water...
Blockhead! (Blockhead!)
You're a dummy! (Dummy!)
And a mouthpiece! (Blockhead!)
(??????) minion! (Dummy!)
Blockhead! (Blockhead!)
You're a dummy and a mouthpiece! (Blockhead!)
You're a soulless creep! (Dummy!)
Blockhead! (Blockhead!)
You're a dummy! (Dummy!)
And a mouthpiece! (Blockhead!)
(?????????)!
I could even see his lips move...
Put on your little suit... Put on Blinky's little suit...
