There's something I've got to say  
Even if you're cryin'  
Inside this heart it's a rainy day  
Still I'm not dying

I never wanted you to go  
Though I knew  
I was leaving just the same  
You're tryin' harder than you know  
But it's true

Some love sticks like glue,  
And some love falls apart  
And some love seems so cruel,  
When it keeps you in the dark  
Some love breaks the rules,  
But some love breaks your heart

There's nothing I'd rather do  
But there's no use tryin'  
Than to stay right here with you  
But with both be aliyin'

I never wanted you to go  
Though I knew  
I was leaving just the same  
You're tryin' harder than you know  
But it's true, yeah it's true

Some love sticks like glue,  
And some love falls apart  
And some love seems so cruel,  
When it keeps you in the dark  
Some love breaks the rules,  
Some love breaks your heart

Some love sticks like glue,  
And some love falls apart  
And some love seems so cruel,  
When it keeps you in the dark  
Some love breaks the rules,

But some love breaks your heart  
Your heart
