I'm gonna put on my red dress tonight
Gonna comb my hair
It's gotta be just right
I'm steppin into my leather boots
Gonna take a chance, now
I'm gonna turn it loose

Well do you love me, what's your reply
Will you love me come rain or come shine
If you love me, put the writing on the wall
And tell the world that you love me after all

Well I've gotta be careful, 'cause when the moon
comes up
My defenses tumble, I'm counting on luck
And if you're promising more than tonight
Maybe I'd give you more than I might

So do you love me, what's your reply
Is it more than your heart can deny
If you love me, put the writing on the wall
And tell the world that you love me after all

Well I've gotta be careful, 'cause when the moon
comes up
My defenses tumble, I'm counting on luck
And if you're promising more than tonight
Maybe I'd give you more than I might

So do you love me, what's your reply
Is it more than your heart can deny
If you love me, put the writing on the wall
And tell the world that you love me after all

Now I'm not that desperate but I have these needs
Don't wear me down, boy
Don't complicate my dreams

Do you love me, what's your reply
Will you love me come rain or come shine
Well if you love me, put the writing on the wall
And tell the world that you love me after all

Tell the world that you love me after all
