It's Friday night again  
Call up my girlfriend  
She wants to see a show  
But I don't wanna go  
Know how that movie ends  
Girl gets the guy  
I'm tired of living life through someone else's eyes

No more foolish wishin  
My heart is on a mission  
I want a real man  
The kind who understands  
Someone who takes control  
And gives me what I need  
Holds an open door  
And sweeps me off my feet

Chorus:  
I wanna rock  
Steady and strong  
Somebody I can lean on  
I wanna rock  
With arms of steel  
To hold me all night long  
Warm and sweet ain't my cup of tea  
So as far as I'm concerned  
Until I find rock  
I'm leavin no stone unturned

I'm lookin for a Love that will never faltar  
My very own Gibraltar  
Solid to the core  
That's what I'm lookin for  
Rough on the surface  
Toughened by the cold  
But if you dig a little deeper  
Find a heart of gold

(Chorus)

Ain't nothin wrong with a little sensitivity  
Sometimes a women simply got other needs

Yeah,I wanna rock...

(Chorus)

Unturned...yeah until I find a rock  
Im' leavin no stone unturned  
No stone unturned..oh,yeah..yeah,  
I wanna rock
